

Holiday Energy Savings Initiative Calendar

NC State lowers building temperatures and utility costs in unoccupied campus buildings during the university's winter holiday.

The 2018-2019 Holiday Energy Saving Initiative will go into effect in stages between Dec. 19, 2018 and Jan. 6, 2019.

More information, including a list of campus buildings exempt from temperature setbacks, is at go.ncsu.edu/HolidayEnergySavings

LEVEL 1 SETBACK
 Temperatures in classrooms and teaching labs will be lowered Dec. 19 - Jan. 6.

LEVEL 2 SETBACK
 Temperatures in residence halls will be lowered Dec. 20 – Jan. 1.

LEVEL 3 SETBACK
 Temperatures in all other university buildings not exempt from the program will be lowered Dec. 22 - Jan. 1.
