**12:00 Adjourn**

**Information Items**

- Please be prepared to report your year 5 [tactics](#) at the October meeting
- The Sustainability Office is facilitating data collection for both the Annual Sustainability Report and the STARS (Sustainability Tracking, Assessment and Rating System). Providing information by the deadlines helps keep the projects on track.
- The Summer Energy Savings Initiative consolidated events and classes into designated buildings for energy savings and safety. Results will be available soon.
- Semester@CMAST, a for-credit opportunity for students to study marine science at the coast, is open for spring 2016 enrollment.
- Dr. Lada Kochtcheeva, Associate Professor, Political Science will serve as the 2016 Earth Month Chair
- Please sign up for weekly e-news at [sustainability.ncsu.edu](http://sustainability.ncsu.edu)

**Next meeting:** Oct. 19, 2015

(Standing meetings are 3<sup>rd</sup> Monday of the month from 10:30-12:00)

The screenshot shows the 'Change Your State' website for NC State Earth Month. The main heading is 'Change Your State for a better you, NC State and world'. A navigation bar includes 'FOOD', 'ENERGY', 'ZERO WASTE', 'TRAVEL', 'WELLNESS', 'WATER', and 'NC STATE EARTH MONTH'. The 'Food' section is highlighted, featuring a large image of a mascot holding a basket of produce. Below the image are three articles: 'Eat Local', 'Watch Your Waste', and 'Mind the Meat'. The right sidebar contains a search bar, 'LATEST FOOD BLOGS' with several article thumbnails, 'GET THE LATEST UPDATES' with social media icons, and 'RESOURCES' with links to sustainability events and posters. The URL 'NCSU.EDU/CHANGEYOURSTATE' is displayed at the bottom.
