### Information Items

- Today is NC State's America Recycles Day. Come see the Stewards from noon–3 pm at Talley
- Planning for Earth Month 2016 has started with chair, Lada Kochtcheeva. The theme will be wellness of people and the planet. University Dining/Campus Enterprises is sponsoring the 2016 Earth Month.
- Congratulations to Bowen Hall for winning the October Tri-Towers energy & water challenge by reducing energy by 33% & water by 16%. The estimated cost avoided is \$8100.
- The Winter Holiday Energy Saving Initiative is from Dec. 24 – Jan. 3
- All sustainability-related events can be found here: <http://sustainability.ncsu.edu/get-involved/events/>

**Next meeting:** Dec. 14, 2015

(Standing meetings are 3<sup>rd</sup> Monday of the month from 10:30-12:00)

## November is zero waste month

The screenshot shows the 'Change Your State' website for November, dedicated to Zero Waste. The main heading is 'Change Your State for a better you, NC State and world'. The navigation bar includes categories: WHY?, FOOD, ENERGY, ZERO WASTE, TRAVEL, WELLNESS, WATER, and NC STATE EARTH MONTH. The 'Zero Waste' section features a photo of a person recycling and text encouraging users to 'Don't be trashy' by reusing, recycling, and composting. Below this are three featured articles: 'BYO Cup, Bottle or Mug', 'Recycle', and 'Pack a Bag'. The right sidebar contains a search bar, 'LATEST ZERO WASTE BLOGS' with links to articles like 'These Foods Are Probably in Your Trash Can', and 'GET THE LATEST UPDATES' with social media icons for Facebook, Twitter, and an app. At the bottom, there are 'RESOURCES' such as 'Download the Zero Waste Flyer' and 'Find Sustainability-Related Events'. The footer prominently displays 'NCSU.EDU/CHANGEYOURSTATE'.
