Information Items

- Nominations sought for Green Brick Awards through March 11 in the following categories: student, staff member, faculty member, department or student organization, and innovation/impact. Learn more and nominate at go.ncsu.edu/thegreenbrick
- The Sustainability Office will be asking for final status updates on your year 5 tactics in early summer.
- Save the date to which you will receive a calendar invitation: April 15 Green Brick Awards and May 9 CEST celebration
- All sustainability-related events can be found here: <http://sustainability.ncsu.edu/get-involved/events/>

Thank you for your continued service through the Sustainability Council

The screenshot shows the 'Change Your State' website for NC State Earth Month. The main heading is 'Change Your State for a better you, NC State and world'. The navigation bar includes categories like WHY?, FOOD, ENERGY, ZERO WASTE, TRAVEL, WELLNESS, WATER, and NC STATE EARTH MONTH. The 'Water' section is highlighted, featuring a large image of a waterfall and social media sharing options. Below the image, there are three featured articles: 'Shorten Your Shower', 'Turn off the Tap', and 'Fix it Fast'. The right sidebar contains a search bar, 'LATEST WATER BLOGS' with several article titles, 'GET THE LATEST UPDATES' with social media icons, and 'RESOURCES' with links to sustainability events and reporting a leak.
